

European Challenges in Microbiome Analysis by DNA-Sequencing

**Co-funded by
the European Union**

- 06.-12.10.2024

- Levoča, Slovakia

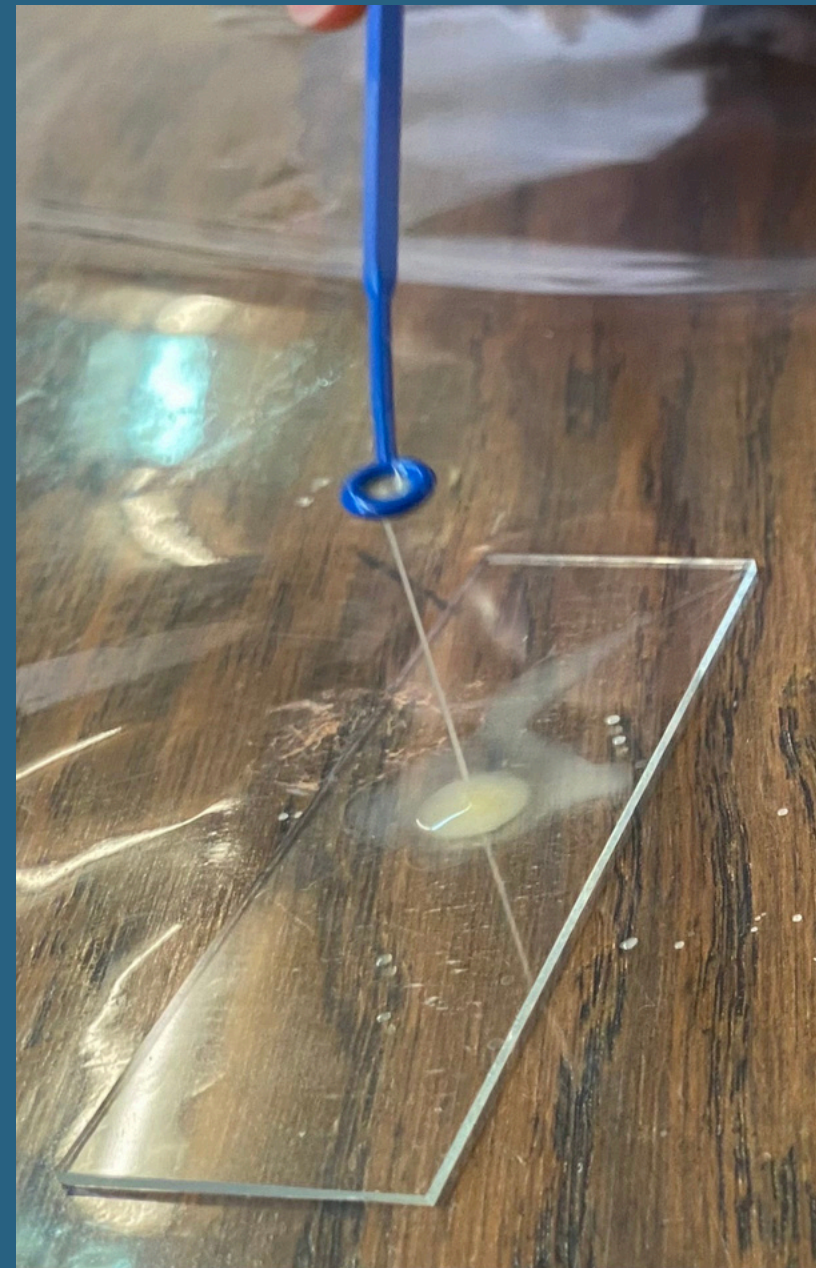

- **E1: Starch Metabolism**
- **E2: Oxygen Need**
- **E3: Gram Quick Test**
- **E4: Microbiome Culturing**

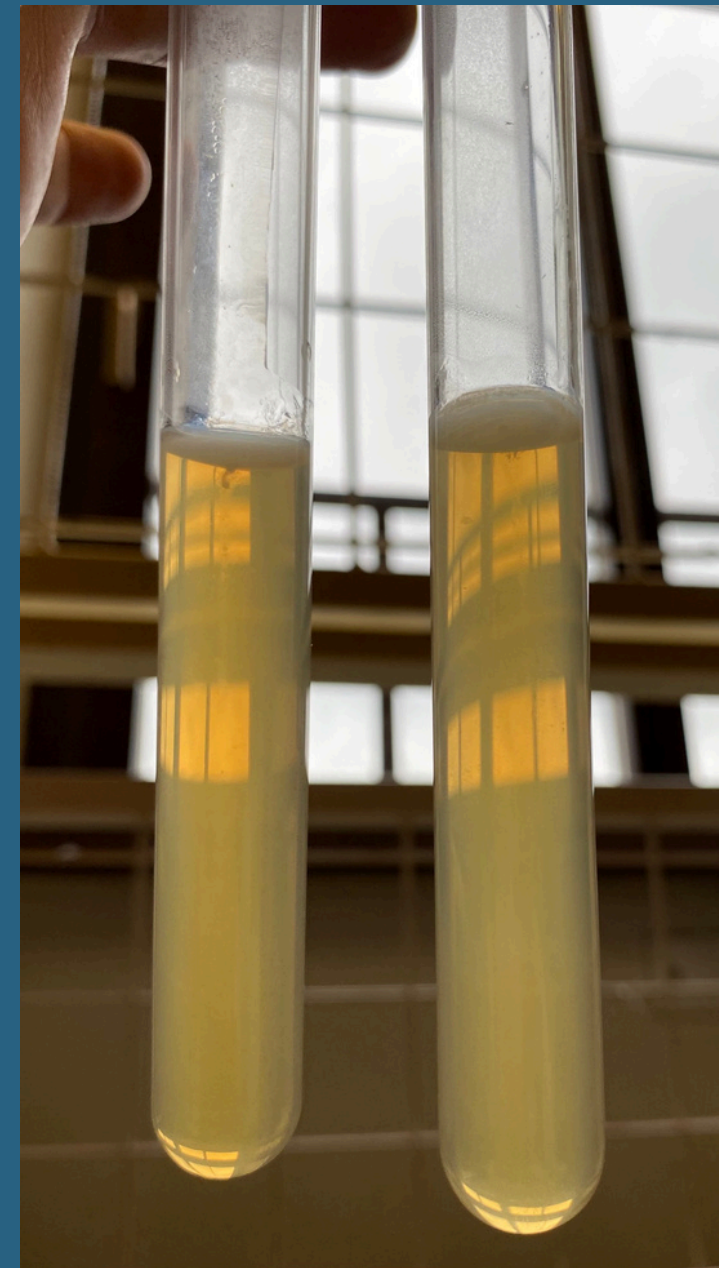

Starch Metabolism

Gram Quick Test

Oxygen Need

Microbiome Culturing

Bachleda Treetop Walk

Pizzeria

Nestville

Vyberofka

Cholate

& why?

- international relations
- development of science among young scientists

next:

ty for your attention:)
